VISION

The vision of Ho Technical University is to become the hub of practical education and innovation, advancing sustainable global development.

MISSION STATEMENT

The mission of the Technical University is:

To develop highly competent human capital through career-focused education, skills training, research and innovation in partnership with stakeholders.

ETHICS POLICY

Ho Technical University is a secular and non-partisan technological institution. Admissions and academic awards are based on merit without regard to ethnicity, race or nationality, religious affiliation or beliefs, physical disabilities or gender. Academic and social interactions within the Technical University are governed by the principles of fair play, justice, honesty, moral rectitude and respect for authority, human rights and the environment.

CORE VALUES

- Competency Based Training;
- Fair Opportunities for all, Gender Equity and Social Inclusiveness;
- Respect for Environment;
- Commitment to Academic Excellence and Quality.
